Past performance may not be indicative of future results. Therefore, no current or prospective client should assume that future performance of any specific investment, investment strategy (including the investments and/or investment strategies recommended or undertaken by Epoch) or product made reference to directly or indirectly by Epoch in its website, or indirectly via a link to an unaffiliated third-party website, will be profitable or equal the corresponding indicated performance level(s). Different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will either be suitable or profitable for a client or prospective client's investment portfolio. Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results.

Certain portions of Epoch's website (i.e. newsletters, articles, commentaries, etc.) may contain a discussion of, and/or provide access to, Epoch's (and those of other investment and non-investment professionals) positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). Moreover, no client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from Epoch or from any other investment professional. Epoch is neither an attorney nor an accountant, and no portion of the website content should be interpreted as legal, accounting or tax advice.

**Each client and prospective client agrees, as a condition precedent to his/her/its access to Epoch's website, to release and hold harmless Epoch, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from Epoch**
